To Whom It may concern,

On behalf of the City of Picayune, MS, I would like to highly recommend Scott M. Favre, PA as a Public Adjuster and Project Management company. Mr. Favre has been exceptional at representing the City of Picayune, MS with our storm and fire claims. He has gone above and beyond in his efforts and has exceeded our expectations in the value of the claims awarded to our City. We should have hired Mr. Favre years earlier, so be expeditious with your decision.

I highly recommend and encourage you to hire Scott M. Favre, PA.

Kindest regards,

Dr. Edward Pinerio
Mayor
