

Dear Mr. Favre,

Thank y'all so very much for taking my case and making [REDACTED] pay me what I was due. It has been used to complete my home. My contractor bailed and filed bankruptcy. The award money you won for me prevented me from having to go to bank and borrow money to complete my home.

My words can't express the appreciation, joy and relief I feel. I slept better last night than I have in over a year!

I am so fortunate to have been referred to DA MAN...Mr. Scott Favre! My deepest appreciation to you all!

Much appreciation and admiration,
Tomi Ann Hollensed
